returns, as well as the election described in Section 4.1, shall be consistent with this Article and, in all events, shall reflect that all taxes (including any estimated taxes, interest, or penalties) on the income earned by the Gross Settlement Amount shall be deducted and paid from the Gross Settlement Amount as described in Section 4.6 herein.

4.5 Investment of the Qualified Settlement Fund. The Escrow Agent shall invest the Qualified Settlement Fund in short-term United States agency or Treasury securities or other instruments backed by the full faith and credit of the United States Government or an agency thereof, or fully insured by the United States Government or an agency thereof, and shall reinvest the proceeds of these investments as they mature in similar instruments at their then-current market rates.

4.6 Taxes on the Income of the Qualified Settlement Fund. All (1) taxes (including any estimated taxes, interest, or penalties) on any income of the Qualified Settlement Fund, including any taxes or tax detriments that may be imposed upon Russell or Russell's Counsel with respect to any income of the Gross Settlement Amount for any period during which the Gross Settlement Amount does not qualify as a "qualified settlement fund" for federal or state income tax purposes, and (2) all expenses and costs incurred in connection with the taxation of the Qualified Settlement Fund (including, without limitation, expenses of tax attorneys and accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Article IV) are Administrative Expenses and shall be timely paid by the Escrow Agent out of the Qualified Settlement Fund. The Escrow Agent, or the Settlement Administrator on its behalf, shall be responsible for making provision for the payment from the Qualified Settlement Fund of all taxes and tax expenses, if any, owed with respect to the Qualified Settlement Fund and for all tax reporting, remittance, and/or withholding obligations, if any, for amounts distributed from it. Russell, Russell's Counsel, and Class Counsel have no responsibility or any liability for any taxes or tax expenses owed by, or any tax reporting or withholding obligations, if any, of the Qualified Settlement Fund. The Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to any Settlement Class Member any funds necessary to pay such amounts, including the establishment of adequate reserves for any taxes and tax expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)); neither Russell, Russell's Counsel, nor Class Counsel are responsible nor shall they have any liability therefor. The Settling Parties agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Article IV.

4.7 The Escrow Agent shall not disburse the Qualified Settlement Fund or any portion except as provided in this Settlement Agreement, in an order of the Court, or in a subsequent written stipulation between Class Counsel and Russell's Counsel. Subject to the orders of the Court, the Escrow Agent is authorized to execute such transactions as are consistent with the terms of this Settlement Agreement.

4.8 After the Settlement Effective Date, the Gross Settlement Amount will be distributed from the Qualified Settlement Fund as follows: First, within twenty-one (21) calendar days of the Settlement Effective Date, all Administrative Expenses approved by the Court shall be paid. Second, within sixty (60) calendar days of the Settlement Effective Date, (a) any Service Award approved by the Court shall be paid; (b) all Attorneys' Fees and Costs approved by the

EXECUTION COPY

Court shall be paid to Class Counsel; and (c) the Net Settlement Amount will be distributed pursuant to the Plan of Allocation. Pending final distribution of the Net Settlement Amount in accordance with the Plan of Allocation, the Escrow Agent will maintain the Qualified Settlement Fund. A contingency reserve not to exceed an amount to be mutually agreed upon by the Settling Parties and approved by the Court may be set aside by the Settlement Administrator for: (1) Administrative Expenses incurred before the Settlement Effective Date but not yet paid, and (2) Administrative Expenses estimated to be incurred after the Settlement Effective Date but before the end of the Settlement Period.

4.9 The Escrow Agent, or the Settlement Administrator on its behalf, shall be responsible for making provision for the payment from the Qualified Settlement Fund of all taxes and tax expenses, if any, owed with respect to the Qualified Settlement Fund and for all tax reporting, remittance, and/or withholding obligations, if any, for amounts distributed from it. Russell, Russell's Counsel, and Class Counsel have no responsibility or any liability for any taxes or tax expenses owed by, or any tax reporting or withholding obligations, if any, of the Qualified Settlement Fund.

4.10 No later than February 15 of the year following the calendar year in which a transfer to the Qualified Settlement Fund is made pursuant to the terms of this Article IV, the party making such transfer or its agents shall timely furnish a statement to the Escrow Agent, or the Settlement Administrator on its behalf, that complies with Treas. Reg. § 1.468B-3(e)(2), which may be a combined statement under Treas. Reg. § 1.468(e)(2)(ii), and shall attach a copy of the statement to their federal income tax returns filed for the taxable year in which that party or its agents make a transfer to the Qualified Settlement Fund.

ARTICLE V

PLAN OF ALLOCATION

5.1 Calculation of Payments to Participant Class Members and Former Participant Class Members. Payments to each Participant Class Member and Former Participant Class Member shall be calculated by the Settlement Administrator as follows, based on information provided by the Recordkeeper:

(a) For each Participant Class Member and Former Participant Class Member, the Settlement Administrator shall determine an Average Settlement Score, defined as follows:

Each Participant Class Member's and Former Participant Class Member's average, aggregate Plan balance invested in the Russell Funds at the beginning of each quarter for the period from October 1, 2015 to May 23, 2019²

² Mathematically stated, the Average Settlement Score shall be calculated as follows:

(Q4 2015 Russell Funds balance) + (Q1 2016 Russell Funds balance) + (Q2 2016 Russell Funds balance) + (Q3 2016 Russell Funds balance) + (Q4 2016 Russell Funds balance) + (Q1 2017 Russell Funds balance) + (Q2 2017 Russell Funds balance) + (Q3 2017 Russell Funds balance) + (Q4 2017 Russell Funds balance) + (Q1 2018 Russell Funds

EXECUTION COPY

(b) The Settlement Administrator shall determine each Participant Class Member's and Former Participant Class Member's Entitlement Amount by calculating each individual's pro rata share of the Net Settlement Amount, based on his or her Average Settlement Score compared to the sum of all Participant Class Members' and Former Participant Class Members' Average Settlement Scores. If the dollar amount of the settlement payment to a Former Participant Class Member is calculated by the Settlement Administrator to be less than \$5.00, then that Former Participant Class Member's pro-rata share shall be zero for all purposes, and his or her share shall be reallocated amongst the other Settlement Class Members on a pro rata basis.

(c) The aggregate of all Entitlement Amounts may not exceed the Net Settlement Amount. In the event that the Settlement Administrator determines that aggregate monetary payment pursuant to the Plan of Allocation would exceed the Net Settlement Amount, the Settlement Administrator is authorized to make such pro rata changes as are necessary to ensure that the aggregate monetary payment pursuant to the Plan of Allocation does not exceed the Net Settlement Amount.

5.2 Payments to Participant Class Members.

(a) Upon completing the calculation of each Participant Class Member and Former Participant Class Member's Entitlement Amount and no later than thirty (30) calendar days following the Settlement Effective Date, the Settlement Administrator shall provide the Settling Parties and the Recordkeeper information in a mutually agreeable format concerning each Participant Class Member's Entitlement Amount, and any other information requested by Plan fiduciaries or the Recordkeeper as necessary to effectuate this Article.

(b) No later than thirty (30) calendar days after completing the steps described in Section 5.2(a) and upon written notice to the Settling Parties and the Recordkeeper, the Settlement Administrator shall transfer from the Qualified Settlement Fund to the Plan all monetary payments payable to Participant Class Members, with a request that the Recordkeeper thereafter credit the individual Plan account of each Participant Class Member in an amount equal to that individual's Entitlement Amount.

(c) The Settlement Administrator shall request that each Participant Class Member's Entitlement Amount be invested in accordance with and in proportion to such Participant Class Member's investment elections then on file for new contributions to his or her Plan account. If the Participant Class Member does not have an investment election on file, then the Settlement Administrator shall request that the Recordkeeper invest such Participant Class Member's Entitlement Amount in the Plan's qualified default investment alternative, as defined in

balance) + (Q2 2018 Russell Funds balance) + (Q3 2018 Russell Funds balance) + (Q4 2018 Russell Funds balance) + (Q1 2019 Russell Funds balance) + (Q2 2019 Russell Funds balance)

29 C.F.R. § 2550.404c-5, and such individual shall be deemed to have directed his or her Entitlement Amount to be so invested.

(d) If, as of the date on which the Recordkeeper credits the individual Plan account of each Participant Class Member with his or her Entitlement Amount, an individual believed to be a Participant Class Member no longer has a Plan account balance greater than \$0.00, he or she will be treated as a Former Participant Class Member for the purpose of the settlement distribution only and will receive his or her payment from the Settlement Administrator in the form of a check as described in Section 5.3(a)(ii). Within ten (10) days of the date on which the Recordkeeper credits Entitlement Amounts to each Participant Class Member per the Settlement Administrator's request, the Settlement Administrator shall request from the Recordkeeper a transfer of Entitlement Amounts corresponding to such Participant Class Members without Plan account balances greater than \$0.00 to the Settlement Administrator for distribution in accordance with Section 5.3(a)(ii).

5.3 Payments to Former Participant Class Members.

(a) Upon completing the calculation of each Participant Class Member and Former Participant Class Member's Entitlement Amount and no later than sixty (60) calendar days following the Settlement Effective Date, the Settlement Administrator shall issue a check from the Qualified Settlement Fund to each Former Participant Class Member, in the amount of each Former Participant Class Member's Entitlement Amount (less any withholdings) so long as the Entitlement Amount is not less than \$5.00.

5.4 Payments to Beneficiaries and Alternate Payees.

(a) Beneficiaries of Participant Class Members that are entitled to receive all or a portion of a Participant Class Member's Entitlement Allocation under this Article shall receive such settlement payments pursuant to the terms of the Plan. Beneficiaries of Former Participant Class Members that are entitled to receive all or a portion of a Former Participant Class Member's Entitlement Allocation under this Article will receive such settlement payments under the methods described in Section 5.3 for Former Participant Class Members.

(b) Alternate Payees of Participant Class Members that are entitled to receive all or a portion of a Participant Class Member's Entitlement Allocation under this Article shall receive such settlement payments pursuant to the terms of the applicable QDRO. Alternate Payees of Former Participant Class Members that are entitled to receive all or a portion of a Former Participant Class Member's Entitlement Allocation under this Article will receive such settlement payments under the methods described in Section 5.3 for Former Participant Class Members.

(c) The Settlement Administrator shall have sole and final discretion to determine the amounts to be paid to Beneficiaries and Alternate Payees in accordance with the Plan of Allocation set forth in this Article and as ordered by the Court.

5.5 Notice of Completion of Plan of Allocation. Within ten (10) business days of completing all aspects of the Plan of Allocation, the Settlement Administrator shall, upon request, send to the Settling Parties one or more affidavits stating the following: (a) the name of each Settlement Class Member to whom the Settlement Administrator sent the Notices, and the

EXECUTION COPY

address of such mailing; (b) the date(s) upon which the Settlement Administrator sent the Notices; (c) the name of each Settlement Class Member whose Notice was returned as undeliverable; (d) the efforts made by the Settlement Administrator to find the correct address and to deliver the Notice for each such Settlement Class Member; and (e) the name of each Settlement Class Member to whom the Settlement Administrator made a distribution from the Net Settlement Amount, together with the amount and form of the distribution, the name of the payee, the date of distribution, the amount of tax withholdings, if applicable, and the date of remittance of tax withholdings to the appropriate tax authority, if applicable.

5.6 Expiration of Checks and Disbursement of Undistributed Monies from the Qualified Settlement Fund.

(a) All checks issued in accordance with the Plan of Allocation shall be mailed to the address of each Settlement Class Member (or his or her Beneficiary or Alternate Payee) provided by the Recordkeeper or any updated address obtained by the Settlement Administrator.

(b) All checks issued in accordance with the Plan of Allocation that are not cashed within one hundred twenty (120) calendar days of issuance shall be void and shall revert to the Qualified Settlement Fund. The voidance of checks shall have no effect on Settlement Class Members' release of Claims, obligations, representations, or warranties as provided herein, which shall remain in full effect. Any amounts that revert to the Qualified Settlement Fund, and any funds that cannot be distributed to Settlement Class Members for any other reason, together with any interest earned on them, and after the payment of any applicable taxes by the Escrow Agent, shall be paid to the Plan for the purpose of defraying administrative fees and expenses of the Plan or for other lawful purposes consistent with ERISA and the terms of the Plan. Except as provided in Section 9.2, no amount of the Qualified Settlement Fund will revert back to Russell or any of the Released Parties or Non-Settling Parties.

5.7 Responsibility for Taxes.

(a) The Settling Parties acknowledge that any payments to Settlement Class Members may be subject to applicable tax laws. Russell, Russell's Counsel, Class Counsel, and the Named Plaintiff will provide no tax advice to the Settlement Class Members and make no representation regarding the tax consequences of any of the settlement payments described in this Settlement Agreement.

(b) Each Settlement Class Member who receives a payment pursuant to the Settlement Agreement shall be fully and ultimately responsible for payment of any and all federal, state and local taxes resulting from or attributable to the payment received by such person. Each Settlement Class Member shall hold Russell, Russell's Counsel, the Released Parties, Class Counsel, and the Settlement Administrator harmless from (a) any tax liability, including without limitation penalties and interest, related in any way to payments or credits under the Settlement Agreement, and (b) the costs (including, without limitation, fees, costs and expenses of attorneys, tax advisors, and experts) of any proceedings (including, without limitation, any investigation, response, and/or suit), related to such tax liability.

5.8 Restorative Payments. The Net Settlement Amount to be allocated and distributed to the Former Participant Class Members and to the Plan for distribution to the Participant Class Members in accordance with the Plan of Allocation shall constitute “restorative payments” within the meaning of Revenue Ruling 2002-45 for all purposes.

ARTICLE VI

ATTORNEYS’ FEES AND COSTS AND SERVICE AWARD

6.1 Attorneys’ Fees and Costs. No later than fourteen (14) calendar days prior to the deadline provided in the Preliminary Approval Order for Settlement Class Members to object to the Settlement Agreement, Class Counsel may file an application with the Court for payment of reasonable Attorneys’ Fees and Costs, and Administrative Expenses (other than those tax-related expenses automatically deducted pursuant to Section 4.6), to be deducted from the Gross Settlement Amount. Russell agrees not to object to Class Counsel’s application for Attorneys’ Fees and Costs and Administrative Expenses, provided that (i) the requested attorneys’ fees shall not exceed one-third of the Gross Settlement Amount, and (ii) the requested costs and administrative expenses are limited to the actual, reasonable, out-of-pocket expenses advanced in pursuing this Action. Notwithstanding anything herein, the Court’s failure to approve, in whole or in part, any application for Attorneys’ Fees and Costs, or Administrative Expenses, sought by Class Counsel shall not prevent the Settlement Agreement from becoming effective, nor shall it be grounds for termination of the Settlement.

6.2 Service Award. No later than fourteen (14) calendar days prior to the deadline provided in the Preliminary Approval Order for Settlement Class Members to object to the Settlement Agreement, Class Counsel may file an application with the Court for payment of a Service Award to the Named Plaintiff in an amount not to exceed five thousand U.S. dollars (USD \$5,000.00) each. Russell agrees not to object to any such requested Service Award. Notwithstanding anything herein, the Court’s failure to approve, in whole or in part, any application for a Service Award shall not prevent the Settlement Agreement from becoming effective, nor shall it be grounds for termination of the Settlement.

ARTICLE VII

RELEASES AND COVENANT NOT TO SUE

7.1 Releases. Subject to Article IX below, the obligations incurred pursuant to this Settlement Agreement shall be in full and final disposition and settlement of any and all of Plaintiff’s Released Claims.

(a) Upon the Settlement Effective Date, the Named Plaintiff and every Settlement Class Member on behalf of themselves, their heirs, executors, administrators, estates, successors, beneficiaries, agents, attorneys and assigns shall, with respect to each and every Plaintiff’s Released Claim, be deemed to fully, finally and forever release, waive, relinquish and forever discharge each and every Plaintiff’s Released Claim against any and all of the Released Parties, and forever shall be enjoined from prosecuting any such Plaintiff’s Released Claims, whether or not Settlement Class Members received the Notice, whether or not the Settlement Class

Members received a payment in connection with this Settlement Agreement, whether or not such Settlement Class Members have submitted an objection to the Settlement or to any application by Class Counsel for an award of Attorneys' Fees and Costs or Service Award, and whether or not the objections or claims for distribution of such Settlement Class Members have been approved or allowed.

(b) Upon the Settlement Effective Date, Russell, on behalf of itself and its successors and assigns shall be deemed to fully, finally and forever release, waive, relinquish and forever discharge Russell's Released Claims, and forever shall be enjoined from prosecuting any such Claims.

(c) Nothing herein shall preclude any action to enforce the Settlement Agreement.

7.2 The Named Plaintiff, Class Counsel, the Plan, or the Settlement Class Members may hereafter discover facts in addition to or different from those that they know or believe to be true with respect to the Plaintiff's Released Claims. Such facts, if known by them, might have affected the decision to settle with Russell, or the decision to release, relinquish, waive, and discharge the Plaintiff's Released Claims, or the decision of a Settlement Class Member not to object to the Settlement. Notwithstanding the foregoing, each Settlement Class Member and the Plan shall expressly, upon the Settlement Effective Date, be deemed to have, and by operation of the Final Approval Order, shall have, fully, finally, and forever settled, released, relinquished, waived, and discharged any and all Plaintiff's Released Claims, including Unknown Claims. The Settlement Class Members and the Plan acknowledge and shall be deemed by operation of the Final Approval Order to have acknowledged that the foregoing waiver was bargained for separately and is a key element of the Settlement embodied in this Settlement Agreement of which this release is a part.

7.3 As of the Settlement Effective Date, the Named Plaintiff and the Settlement Class Members acting individually or together, or in combination with others, shall not sue or seek to institute, maintain, prosecute, argue, or assert in any action or proceeding (including but not limited to a U.S. Department of Labor proceeding or an arbitration proceeding), any cause of action, demand, or claim adverse to Released Parties on the basis of, in connection with, relating to, or arising out of any of Plaintiff's Released Claims.

7.4 Upon the Settlement Effective Date, the Named Plaintiff and the Settlement Class Members shall be conclusively deemed to, and by operation of the Final Approval Order shall, settle, release, relinquish, waive and discharge any and all rights or benefits they may now have, or in the future may have, under any law relating to the releases of unknown Claims pertaining specifically to Section 1542 of the California Civil Code, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

EXECUTION COPY

Also, the Named Plaintiff and Settlement Class Members with respect to Plaintiff's Released Claims shall, upon the Settlement Effective Date, waive any and all provisions, rights and benefits conferred by any law or of any State or territory within the United States or any foreign country, or any principle of common law, which is similar, comparable or equivalent in substance to Section 1542 of the California Civil Code.

7.5 This Settlement Agreement does not in any way bar, limit, waive, or release any right by the Named Plaintiff or any Settlement Class Member to assert and/or recover any moneys resulting from (a) any individual Claim for individual vested benefits brought pursuant to ERISA § 502(a)(1)(B), 29 U.S.C. § 1132(a)(1)(B) that are otherwise due under the terms of the Plan, or (b) any Claims asserted by the Named Plaintiff and the Settlement Class against the Non-Settling Defendants in the Action, or (c) any rights or duties arising out of the Settlement Agreement.

ARTICLE VIII

REPRESENTATIONS AND WARRANTIES

8.1 Settling Parties' Representations and Warranties. The Settling Parties represent and warrant as follows, and each acknowledges that they are relying on these representations and warranties in entering into the Settlement Agreement:

(a) they have carefully read the Settlement Agreement and understand its terms;

(b) they are voluntarily entering into the Settlement Agreement as a result of arm's-length negotiations, and that in executing this Settlement Agreement they are relying solely upon their own judgment, belief, and knowledge, and upon the advice and recommendations of their own counsel, concerning the nature, extent, and duration of their rights and claims hereunder and regarding all matters that relate in any way to the subject matter hereof;

(c) they have made such investigation of the facts pertaining to the subject matter of the Settlement Agreement as they deem necessary;

(d) Named Plaintiff has not assigned or otherwise transferred any interest in any of the Plaintiff's Released Claim against any Released Parties, and that Named Plaintiff shall not assign or otherwise transfer any interest in any of the Plaintiff's Released Claims; and

(e) Named Plaintiff, on behalf of herself and the Class, will have no surviving claims or causes of action against any of the Released Parties for any of the Plaintiff's Released Claims, from and after the Settlement Effective Date;

(f) that they assume the risk of mistake as to facts or law; and

(g) they recognize that additional evidence may come to light, but they nevertheless desire to avoid the expense and uncertainty of litigation by entering into the Settlement Agreement.

8.2 Signatories' Representations and Warranties. The persons executing the Settlement Agreement represent that they have been duly authorized to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Settlement Agreement in order to effectuate its terms.

ARTICLE IX

TERMINATION

9.1 The Settlement Agreement shall terminate at the election of any of the Settling Parties, and thereby become null and void with no further force or effect, if:

(a) the Court declines to approve the Settlement Agreement or any material part of it;

(b) the Court declines to enter the Preliminary Approval Order or materially modifies the contents of the Preliminary Approval Order submitted by Class Counsel;

(c) the Court declines to enter the Final Approval Order or materially modifies the contents of the Final Approval Order submitted by Class Counsel;

(d) the Court declines to enter the Bar Order or the Bar Order is modified such that it is not in substantially the same form and substance as described in Sections 1.7 and 2.4(g) (the Bar Order is a necessary, integral, and essential condition of Russell's agreement to resolve the Action); or

(e) the Final Approval Order is vacated, reversed, or modified in any material respect on any appeal or other review or in a collateral proceeding occurring prior to the Settlement Effective Date.

Notwithstanding anything herein, no order of the Court, or modification or reversal on appeal of any order of the Court, solely concerning Attorneys' Fees and Costs or any Service Award shall constitute grounds for termination of the Settlement Agreement.

9.2 Reversion to Prior Positions. If the Settlement Agreement is terminated in accordance with this Article, then the Settling Parties and Settlement Class Members will be restored to their respective positions immediately before the execution of the Settlement Agreement, this Action shall proceed in all respects as if the Settlement Agreement and any related orders had not been entered, any order entered by the Court pursuant to the terms of this Settlement Agreement, including any Bar Order, shall be treated as vacated *nunc pro tunc*. All funds deposited in the Qualified Settlement Fund, and any interest earned thereon, shall be returned to Russell, its agents, or its insurers pro rata based on their contributions to the Qualified Settlement Fund within thirty (30) calendar days after the Settlement Agreement is finally terminated or deemed null and void, except as provided for in Section 9.3. The fact of this Settlement Agreement and the terms contained herein shall not be admissible in any proceeding for any purpose, and the Settling Parties expressly and affirmatively reserve all Claims, remedies, defenses, arguments, and motions as to all Claims and requests for relief that might have been or might be later asserted in the Action.

EXECUTION COPY

9.3 In the event that the Settlement Agreement is terminated, Administrative Expenses incurred prior to the termination shall be paid first from the interest earned, if any, on the Qualified Settlement Fund. Administrative Expenses in excess of the interest earned on the Qualified Settlement Fund shall be split evenly and paid by Class Counsel, on the one hand, and Russell and/or its insurer(s), on the other hand.

ARTICLE X

NO ADMISSION OF WRONGDOING

10.1 The Settlement Agreement, whether or not consummated, and any proceedings taken pursuant to it, is for settlement purposes only and entered into solely for the purpose of avoiding possible future expenses, burdens, or distractions of litigation, and Russell and the Released Parties deny any and all wrongdoing. Russell and the Released Parties specifically and expressly deny any and all liability in connection with any Claims which have been made or could have been made, or which are the subject matter of, arise from, or are connected, directly or indirectly, with or related in any way to the Action, including, but not limited to, any violation of any federal or state law (whether statutory or common law), rule, or regulation, and Russell and the Released Parties deny that any violation of any such law, rule, or regulation has ever occurred.

10.2 The Settlement Agreement, whether or not consummated, and any negotiations, proceedings, or agreements relating to the Settlement Agreement, and any matters arising in connection with settlement negotiations, proceedings, or agreements:

(a) shall not be offered or received, in the Action or any other proceeding, against Russell or any of the Released Parties as evidence of, or be construed as or deemed to be evidence of, any presumption, concession, or admission by Russell or a Released Party of the truth of any fact alleged by the Named Plaintiff or the validity of any claim that has been or could have been asserted in the Action or in any litigation, or the deficiency of any defense that has been or could have been asserted in the Action or in any litigation;

(b) shall not be offered or received, in the Action or any other proceeding, against Russell or any of the Released Parties as evidence of a presumption, concession or admission of any fault, misrepresentation or omission with respect to any statement or written document approved or made by Russell or any of the Released Parties;

(c) shall not be offered or received, in the Action or any other proceeding, against Russell or any of the Released Parties as evidence of a presumption, concession, or admission with respect to any liability, negligence, fault, or wrongdoing attributable to them; and

(d) shall not be construed against Russell or any of the Released Parties as an admission or concession that the consideration to be given hereunder represents the amount which could or would have been recovered after trial of the Action or that the Named Plaintiff or any Settlement Class Member suffered any losses or damages attributable to Russell or any of the Released Parties.

ARTICLE XI

11.2 Cooperation. Class Counsel and Russell's Counsel agree to cooperate fully with one another in seeking Court entry of the Preliminary Approval Order and Final Approval Order.

11.3 Confidentiality. The Settling Parties and their counsel shall keep strictly confidential, and shall not disclose to any third party (except, as reasonably necessary, the Non-Settling Defendants on a confidential basis) the terms and conditions of this Settlement Agreement until such time as Named Plaintiff files her motion for preliminary approval of the Settlement.

11.6 Entire Agreement. This Settlement Agreement and all of the exhibits appended hereto constitute the entire agreement of the Settling Parties with respect to the subject matter of the Action and supersede any prior agreement, whether written or oral, as to that subject matter. No representations or inducements have been made by any Settling Party hereto concerning the Settlement Agreement or its exhibits other than those contained and memorialized in such documents. The provisions of the Settlement Agreement and its exhibits may not be modified or amended, nor may any of their provisions be waived, except by a writing signed by all Settling Parties hereto or their successors-in-interest.

11.7 Waiver. The waiver by any Settling Party of a breach of the Settlement Agreement by any other Settling Party shall not be deemed a waiver of any other breach of the Settlement Agreement.

11.8 Construction of Agreement. This Settlement Agreement shall be construed to effectuate the intent of the Parties to resolve all disputes encompassed by the Agreement. All Settling Parties have participated in the drafting of this Agreement, and any ambiguity shall not be resolved by virtue of a presumption in favor of any Settling Party. This Settlement Agreement shall not be construed more strictly against one Settling Party than another merely by virtue of the fact that the Settlement Agreement, or any part of it, may have been prepared by counsel for one of the Settling Parties, it being recognized that the Settlement Agreement is the result of arm's-length negotiations between the Settling Parties, and all Settling Parties have contributed substantially and materially to its preparation.

11.11 Disputes Concerning Compliance with Settlement Agreement. The Settling Parties agree that any and all disputes concerning compliance with the Settlement Agreement shall be exclusively resolved as follows:

NOTICE OF CLASS ACTION SETTLEMENT AND FAIRNESS HEARING

PLEASE READ THIS SETTLEMENT NOTICE CAREFULLY.

This is a notice of a proposed partial class action settlement in the above-referenced lawsuit. Your legal rights may be affected if you are a member of the following Settlement Class:

All participants and beneficiaries of the Royal Caribbean Cruises, Ltd. Retirement Savings Plan at any time on or after October 1, 2015 through May 23, 2019 (referred to as the “Class Period”), who had any portion of their account invested in the Russell Funds:

- A partial Settlement has been reached that encompasses all claims against Russell Investments Trust Company (“Russell”) in a class action lawsuit against Royal Caribbean Cruises Ltd. and the Royal Caribbean Cruises Ltd. Investment Committee (collectively, the “Non-Settling Defendants”), and Russell (collectively, “Defendants”). The class action lawsuit involves whether or not the Non-Settling Defendants and Russell complied with their fiduciary duties under the Employee Retirement Income Security Act of 1974 (“ERISA”) with respect to the Royal Caribbean Cruises Ltd. Retirement Savings Plan (the “Plan”). Russell denies all claims, and nothing in the Settlement is an admission or concession on Russell’s part of any fault or liability whatsoever.
- The Settlement will provide, among other things, for a \$500,000 Settlement Fund that will be allocated to eligible Settlement Class Members after any Court-approved deductions for Attorneys’ Fees and Costs and Administrative Expenses. Settlement Class Members with a positive balance in their Plan account as of the date of Final Approval of the Settlement

EXECUTION COPY

(referred to herein as “Participant Class Members”) will automatically receive allocations directly to their Plan accounts so long as they maintain a positive balance through the time Settlement monies are distributed. Settlement Class Members who had a positive balance in their Plan account during the Class Period but who no longer have a Plan account or do not have a positive balance in their account as of the date of Final Approval of the Settlement (referred to herein as “Former Participant Class Members”) will receive their settlement payment in the form of a check.

- The terms and conditions of the Settlement are set forth in the Settlement Agreement dated July [insert], 2025. Capitalized terms used in this Notice but not defined in this Notice have the meanings assigned to them in the Settlement Agreement. The Settlement Agreement is available at [www.settlementwebsite.com]. Certain other documents also will be posted on that website. You should visit that website if you would like more information about the Settlement or the lawsuit. All papers filed in this lawsuit are also available for review via the Public Access to Court Electronic Records System (PACER), at <http://www.pacer.gov>.
- Your rights and the choices available to you—and the applicable deadlines to act—are explained below. Please note that neither Russell nor any employees, attorneys, or representatives of Russell may advise you as to what the best choice is for you or how you should proceed.
- The Court still has to decide whether to give its final approval to the Settlement. Payments under the Settlement will be made only if the Court finally approves the Settlement, and that final approval is upheld in the event of any appeal.
- A Fairness Hearing will take place on [DATE], at [TIME], before the Honorable Robert N. Scola, Jr., United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. United States Courthouse, 400 North Miami Avenue, Room 12-3, Miami, Florida 33128, to determine whether to grant final approval of the Settlement and approve the requested Attorneys’ Fees and Costs, Administrative Expenses, and Service Award. If the Fairness Hearing is rescheduled, or if it is held by video conference or telephone, a notice will be posted on the Settlement Website at [www.settlementwebsite.com].
- Any objections to the Settlement, or to the requested Attorneys’ Fees and Costs and Administrative Expenses, must be served in writing on Class Counsel and Russell’s counsel, as identified on page 7 of this Settlement Notice.

The Class Action

The case is called *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS (S.D. Fla.) (the "Action" or "lawsuit"). It was filed on June 7, 2021. The individual who brought this lawsuit is called the Class Representative, and the persons that were sued are called the Defendants. A judgment in favor of the Defendants dismissing the lawsuit was entered by the Court supervising the Action, the United States District Court for the Southern District of Florida, on February 3, 2025. The Class Representative has appealed this decision.

The Class Representative is Ann Johnson, who is a former participant in the Plan. The Settling Defendant is Russell. The Settlement Agreement specifically excludes Plaintiff's claims against the Non-Settling Defendants, and the Action will continue against them on appeal. The claims in the lawsuit are described below on page 4, and additional information about them, including a copy of the operative Amended Complaint, is available at www.settlementwebsite.com.

The Settlement

Following negotiations between Class Counsel and Russell's counsel, a Settlement has been reached. As part of the Settlement, a Qualified Settlement Fund of \$500,000 will be established to resolve the claims against Russell in the Action. The "Net Settlement Amount" is \$500,000 minus any Administrative Expenses (including taxes, tax expenses and certain other expenses) and any Court-approved Attorneys' Fees and Costs and Service Award. The Net Settlement Amount will

EXECUTION COPY

be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court and further described below.

Statement of Attorneys' Fees and Costs, Administrative Expenses, and Service Award Sought in the Class Action

Class Counsel has devoted many hours to investigating the facts, prosecuting the lawsuit, reviewing documents obtained from Defendants, and negotiating the Settlement. During that time, they also have advanced costs necessary to pursue the case. Class Counsel took the risk of litigation and have not been paid for any of their time or for any of these costs throughout the time this case has been pending.

Class Counsel will apply to the Court for payment of Attorneys' Fees for their work in the case. The amount of fees that Class Counsel will request will not exceed one-third of the Qualified Settlement Fund (\$165,000). In addition, Class Counsel also will seek to recover their litigation costs and administrative expenses associated with the Settlement. Any Attorneys' Fees and Costs and Administrative Expenses awarded by the Court will be paid from the Qualified Settlement Fund.

The Class Representative has devoted many hours on behalf of the Settlement Class to providing information, communicating with counsel, answering discovery requests, sitting for a deposition, and attending a mediation. Class Counsel will apply for a Service Award of \$5,000 to be awarded to the Class Representative for her service to the Settlement Class.

A full and formal application for Attorneys' Fees and Costs and Administrative Expenses will be filed with the Court on or before [DATE]. This application will be made available at [www.settlementwebsite.com]. You may also obtain a copy of this application through the Public Access to Court Electronic Records System (PACER) at <http://www.pacer.gov>, or by appearing in person during regular business hours at the Office of the Clerk of the United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue, Miami, FL 33128.

1. Why Did I Receive This Settlement Notice?

The Court caused this Notice to be sent to you because our records indicate that you may be a Participant Class Member. If you fall within the definition of the Settlement Class, you have a right to know about the Settlement and about all of the options available to you before the Court decides whether to give its final approval to the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be allocated among Settlement Class Members according to a Court-approved Plan of Allocation.

2. What Is the Class Action About?

In the Class Action, the Class Representative claims that the Defendants improperly selected and retained the Russell Funds for the Plan, and that it was not prudent or in the best interest of participants for them to do so. The Class Representative also alleges that Russell had a conflict of interest in selecting and retaining these funds or recommending their selection and retention. The

EXECUTION COPY

Defendants deny all claims and assert that they have always acted prudently and in the best interests of participants and beneficiaries.

3. Why Is There A Settlement?

The Court dismissed the Class Representative's claims against Defendants, but the Court's decision is on appeal. The Class Representative and Russell agreed to the Settlement during the pendency of the appeal. The Settlement is the product of extensive negotiations between the Class Representative, Russell, and their counsel. The parties to the Settlement have taken into account the uncertainty, risks, and costs of further litigation and have concluded that it is desirable to settle on the terms and conditions set forth in the Settlement Agreement. The Class Representative and Class Counsel believe that the Settlement is best for the Settlement Class. Nothing in the Settlement Agreement is an admission or concession on Russell's part of any fault or liability whatsoever. The parties to the Settlement have entered into the Settlement Agreement to avoid the uncertainty, expense, and burden of additional litigation.

4. What Does the Settlement Provide?

Under the Settlement, Russell or its insurers will pay \$500,000 into a Qualified Settlement Fund to resolve the claims of the Settlement Class against Russell. The Net Settlement Amount (after deduction of any Court-approved Attorneys' Fees and Costs and Administrative Expenses) will be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court (as explained further on [page 6](#) below). Allocations to Participant Class Members who are entitled to a distribution under the Plan of Allocation will be made into their existing accounts in the Plan. Former Participant Settlement Class Members who are entitled to a distribution will receive their distribution via check.

All Settlement Class Members and anyone claiming through them will fully release Russell and the Released Parties from certain Plaintiff's Released Claims, as defined in the Settlement Agreement. The Released Parties include Russell and certain related parties as outlined in the Settlement Agreement. The Plaintiff's Released Claims include any claims against any of the Released Parties with respect to the Plan that were asserted in the Action against Russell or could have been asserted against Russell, including but not limited to those based on: (1) the selection, retention, or monitoring of the Russell Funds in the Plan's investment lineup; (2) the selection, retention, or monitoring of Russell; (3) the performance, fees, and other characteristics of the Russell Funds in the Plan's investment lineup; (4) Russell's performance or fees, or the services provided by Russell to the Plan; or (5) the restructuring or modification of the Plan's investment lineup. In addition, Plaintiff's Released Claims also include certain other claims as set forth in the Settlement Agreement.

The Non-Settling Defendants are not Released Parties under the Settlement. However, it is a condition of the Settlement that the Court enter an order barring the Non-Settling Defendants from asserting certain claims against Russell and that any judgment that is later entered against the Non-Settling Defendants in the Action will be subject to a judgment reduction equal to the amount that represents the greater of the Gross Settlement Amount or the proportionate share of fault that the Court attributes to Russell at trial, if any, with respect to the judgment.

EXECUTION COPY

This is only a summary of the Released Parties and Plaintiff's Released Claims, and is not a binding description of either. The governing releases are found within the Settlement Agreement, which is available at www.settlementwebsite.com.

5. How Much Will My Distribution Be?

The amount, if any, that will be allocated to you will be based upon records maintained by the Plan's recordkeeper. Calculations regarding individual distributions will be performed by the Settlement Administrator, whose determinations will be final and binding, pursuant to the Court-approved Plan of Allocation.

To receive a distribution from the Net Settlement Amount, you must either be a (1) "Participant Class Member" as described on page 1; (2) a "Former Participant Class Member" as described on pages 1–2; or (3) a Beneficiary or Alternate Payee of a person identified in (1) or (2).

There are approximately **XX,XXX** Settlement Class Members. The Net Settlement Amount will be divided *pro rata* among Settlement Class Members (and their Beneficiaries and Alternate Payees) based on Settlement Class Members' average quarterly balances in the Russell Funds during the Class Period. If the dollar amount of the settlement payment to a Former Participant Class Member is calculated by the Settlement Administrator to be less than \$5.00, then that Former Participant Class Member's pro-rata share shall be zero for all purposes, and his or her share shall be reallocated among the other Class Members. Class Members whose pro-rata shares are zero will still be bound by their release of claims. A more complete description regarding the details of the Plan of Allocation can be found in Article V of the Settlement Agreement, which is available at www.settlementwebsite.com.

6. How Can I Receive My Distribution?

According to our records, you are a Participant Class Member. Therefore, you do not need to do anything to receive your share of the Settlement.

If you are considered a Participant Class Member because you had a Plan account with a balance greater than \$0.00 as of **DATE**, but it is determined that you no longer have a Plan account balance greater than \$0.00 when the Settlement proceeds are distributed to Settlement Class Members, the Settlement Administrator will mail you a check for your share of the Net Settlement Amount to your last known address. You may contact the Settlement Administrator to confirm or update your mailing address. The Settlement Administrator may be contacted by phone at **telephone number** or by mail at **mailing address**.

7. When Will I Receive My Distribution?

The timing of the distribution of the Net Settlement Amount is conditioned on several matters, including the Court's final approval of the Settlement and any approval becoming final and no longer subject to any appeals in any court. An appeal of the final approval order may take several years. If the Settlement is approved by the Court and there are no appeals, the Settlement distribution likely will occur within approximately four months of the Court's Final Approval

EXECUTION COPY

Order, unless there are unforeseen circumstances. There will be no payments under the Settlement if the Settlement Agreement is terminated.

8. Can I Get Out of The Settlement?

No. The Settlement Class has been certified under Federal Rule of Civil Procedure 23(b)(1). Therefore, as a Settlement Class Member, you are bound by the Settlement (if it receives final Court approval) and any judgments or orders that are entered in the Action. If you wish to object to any part of the Settlement, you may write to Class Counsel and the Russell's counsel about why you object to the Settlement, as discussed below.

9. Do I Have A Lawyer in The Case?

The Court has appointed the law firms of Nichols Kaster, PLLP in Minneapolis, Minnesota and Wenzel, Fenton, Cabassa, P.A. in Tampa, Florida as Class Counsel in the Class Action. If you want to be represented by your own lawyer, you may hire one at your own expense.

10. How Will the Lawyers Be Paid?

Class Counsel will file a motion for an award of Attorneys' Fees and Costs and Administrative Expenses at least 14 days prior to the objection deadline. This motion will be considered at the Fairness Hearing. Class Counsel will limit their application for Attorneys' Fees to not more than one-third of the Qualified Settlement Fund. Class Counsel also will seek to recover all actual and anticipated litigation costs and administrative expenses associated with the Settlement. In addition, Class Counsel will seek a Service Award for the Class Representative of no more than \$5,000. The Court will determine the amount of fees, costs, administrative expenses, and Service Award that will be awarded, if any. All papers filed in this Action, including Class Counsel's motion for Attorneys' Fees and Costs and Administrative Expenses, will be available for review via the Public Access to Court Electronic Records System (PACER), available online at <http://www.pacer.gov>.

11. How Do I Tell the Court If I Don't Like the Settlement?

If you are a Settlement Class Member, you can object to the Settlement by mailing to Class Counsel and to Russell's counsel at the addresses below a written objection explaining why you object and any supporting documents, and your objection will, in turn, be provided to the Court. Your written objection must: (1) clearly identify the case name and number: *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS; (2) include your full name, current address, and telephone number or email address; (3) describe the position you wish to assert, including the factual and legal grounds for the position; (4) provide copies of all documents that you wish to submit in support of your position; (5) provide the name(s), address(es) and phone number(s) of any attorney(s) representing you; and (6) include your signature. Your written objection and supporting documents must be mailed to Class Counsel and Russell's counsel no later than **[21 days prior to Fairness Hearing]** to be considered. Class Counsel and Russell will have an opportunity to respond to your objection. Please note that the Court's Order Granting Preliminary Approval of this Settlement provides that any party to the litigation may, but is not required to, serve discovery requests, including requests for documents and notice of deposition not to exceed

EXECUTION COPY

two hours in length, on any objector. Any responses to discovery, or any depositions, must be completed within ten days of the request being served to the objector.

12. When and Where Will the Court Decide Whether to Approve the Settlement?

The Court will hold a Fairness Hearing at **[TIME]** on **[DATE]**, at the United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue, Miami, FL 33128, in Room 12-3. At the Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court also will consider the motion for Attorneys' Fees and Costs and Administrative Expenses. If there are objections, the Court will consider them then. Please note that if the Fairness Hearing is rescheduled, or if it is held by video conference or telephone, a notice will be posted on the Settlement Website at **[www.settlementwebsite.com]**.

13. Do I Have to Attend the Fairness Hearing?

No, but you are welcome to come at your own expense. You may also make an appearance through an attorney. If you send an objection, you do not have to come to the Court to talk about it. As long as you mailed your written objection on time, the Court will consider it.

14. May I Speak at The Fairness Hearing?

Yes. You must also comply with the requirements for making an objection (described above) if you wish to object to the Settlement.

15. What Happens If I Do Nothing at All?

If you are a "Participant Class Member" as described on page 1, and you do nothing, you will receive your *pro rata* share of the Net Settlement Amount if the Settlement is finally approved. If you are a "Former Participant Class Member" as described on pages 1–2, and you do nothing, you will receive your *pro rata* share of the Net Settlement Amount via check.

The Class Action

The case is called *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS (S.D. Fla.) (the "Action" or "lawsuit"). It was filed on June 7, 2021. The individual who brought this lawsuit is called the Class Representative, and the persons that were sued are called the Defendants. A judgment in favor of the Defendants dismissing the lawsuit was entered by the Court supervising the Action, the United States District Court for the Southern District of Florida, on February 3, 2025. The Class Representative has appealed this decision.

The Class Representative is Ann Johnson, who is a former participant in the Plan. The Settling Defendant is Russell. The Settlement Agreement specifically excludes Plaintiff's claims against the Non-Settling Defendants, and the Action will continue against them on appeal. The claims in the lawsuit are described below on page 4, and additional information about them, including a copy of the operative Amended Complaint, is available at www.settlementwebsite.com.

The Settlement

Following negotiations between Class Counsel and Russell's counsel, a Settlement has been reached. As part of the Settlement, a Qualified Settlement Fund of \$500,000 will be established to resolve the claims against Russell in the Action. The "Net Settlement Amount" is \$500,000 minus any Administrative Expenses (including taxes, tax expenses and certain other expenses) and any Court-approved Attorneys' Fees and Costs and Service Award. The Net Settlement Amount will be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court and further described below.

**Statement of Attorneys' Fees and Costs, Administrative Expenses, and Service Award
Sought in the Class Action**

Class Counsel has devoted many hours to investigating the facts, prosecuting the lawsuit, reviewing documents obtained from Defendants, and negotiating the Settlement. During that time, they also have advanced costs necessary to pursue the case. Class Counsel took the risk of litigation and have not been paid for any of their time or for any of these costs throughout the time this case has been pending.

Class Counsel will apply to the Court for payment of Attorneys' Fees for their work in the case. The amount of fees that Class Counsel will request will not exceed one-third of the Qualified Settlement Fund (\$165,000). In addition, Class Counsel also will seek to recover their litigation costs and administrative expenses associated with the Settlement. Any Attorneys' Fees and Costs and Administrative Expenses awarded by the Court will be paid from the Qualified Settlement Fund.

The Class Representative has devoted many hours on behalf of the Settlement Class to providing information, communicating with counsel, answering discovery requests, sitting for a deposition, and attending a mediation. Class Counsel will apply for a Service Award of \$5,000 to be awarded to the Class Representative for her service to the Settlement Class.

A full and formal application for Attorneys' Fees and Costs and Administrative Expenses will be filed with the Court on or before [DATE]. This application will be made available at [www.settlementwebsite.com]. You may also obtain a copy of this application through the Public Access to Court Electronic Records System (PACER) at <http://www.pacer.gov>, or by appearing in person during regular business hours at the Office of the Clerk of the United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue, Miami, FL 33128.

1. Why Did I Receive This Settlement Notice?

The Court caused this Notice to be sent to you because our records indicate that you may be a Former Participant Class Member. If you fall within the definition of the Settlement Class, you have a right to know about the Settlement and about all of the options available to you before the Court decides whether to give its final approval to the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be allocated among Settlement Class Members according to a Court-approved Plan of Allocation.

2. What Is the Class Action About?

In the Class Action, the Class Representative claims that the Defendants improperly selected and retained the Russell Funds for the Plan, and that it was not prudent or in the best interest of participants for them to do so. The Class Representative also alleges that Russell had a conflict of interest in selecting and retaining these funds or recommending their selection and retention. The Defendants deny all claims and assert that they have always acted prudently and in the best interests of participants and beneficiaries.

3. Why Is There A Settlement?

The Court dismissed the Class Representative's claims against Defendants, but the Court's decision is on appeal. The Class Representative and Russell agreed to the Settlement during the pendency of the appeal. The Settlement is the product of extensive negotiations between the Class Representative, Russell, and their counsel. The parties to the Settlement have taken into account the uncertainty, risks, and costs of further litigation and have concluded that it is desirable to settle on the terms and conditions set forth in the Settlement Agreement. The Class Representative and Class Counsel believe that the Settlement is best for the Settlement Class. Nothing in the Settlement Agreement is an admission or concession on Russell's part of any fault or liability whatsoever. The parties to the Settlement have entered into the Settlement Agreement to avoid the uncertainty, expense, and burden of additional litigation.

4. What Does the Settlement Provide?

Under the Settlement, Russell or its insurers will pay \$500,000 into a Qualified Settlement Fund to resolve the claims of the Settlement Class against Russell. The Net Settlement Amount (after deduction of any Court-approved Attorneys' Fees and Costs, Administrative Expenses, and Service Award) will be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court (as explained further on [page 6](#) below). Allocations to Participant Class Members who are entitled to a distribution under the Plan of Allocation will be made into their existing accounts in the Plan. Former Participant Settlement Class Members who are entitled to a distribution will receive their distribution via check.

All Settlement Class Members and anyone claiming through them will fully release Russell and the Released Parties from certain Plaintiff's Released Claims, as defined in the Settlement Agreement. The Released Parties include Russell and certain related parties as outlined in the Settlement Agreement. The Plaintiff's Released Claims include any claims against any of the Released Parties with respect to the Plan that were asserted in the Action against Russell or could have been asserted against Russell, including but not limited to those based on: (1) the selection, retention, or monitoring of the Russell Funds in the Plan's investment lineup; (2) the selection, retention, or monitoring of Russell; (3) the performance, fees, and other characteristics of the Russell Funds in the Plan's investment lineup; (4) Russell's performance as a fiduciary to the Plan or its fees charged to the Plan; or (5) the restructuring or modification of the Plan's investment lineup. In addition, Plaintiff's Released Claims also include certain other claims as set forth in the Settlement Agreement.

The Non-Settling Defendants are not Released Parties under the Settlement. However, it is a condition of the Settlement that the Court enter an order barring the Non-Settling Defendants from asserting certain claims against Russell and that any judgment that is later entered against the Non-Settling Defendants in the Action will be subject to a judgment reduction equal to the amount that represents the greater of the Gross Settlement Amount or the proportionate share of fault that the Court attributes to Russell at trial, if any, with respect to any later judgment.

EXECUTION COPY

This is only a summary of the Released Parties and Plaintiff's Released Claims, and is not a binding description of either. The governing releases are found within the Settlement Agreement, which is available at www.settlementwebsite.com.

5. How Much Will My Distribution Be?

The amount, if any, that will be allocated to you will be based upon records maintained by the Plan's recordkeeper. Calculations regarding individual distributions will be performed by the Settlement Administrator, whose determinations will be final and binding, pursuant to the Court-approved Plan of Allocation.

To receive a distribution from the Net Settlement Amount, you must either be a (1) "Participant Class Member" as described on page 1; (2) a "Former Participant Class Member" as described on pages 1–2; or (3) a Beneficiary or Alternate Payee of a person identified in (1) or (2).

There are approximately **XX,XXX** Settlement Class Members. The Net Settlement Amount will be divided *pro rata* among Settlement Class Members (and their Beneficiaries and Alternate Payees) based on Settlement Class Members' average quarterly balances in the Russell Funds during the Class Period. If the dollar amount of the settlement payment to a Former Participant Class Member is calculated by the Settlement Administrator to be less than \$5.00, then that Former Participant Class Member's pro-rata share shall be zero for all purposes, and his or her share shall be reallocated amongst the other Class Members. Class Members whose pro-rata shares are zero will still be bound by their release of claims. A more complete description regarding the details of the Plan of Allocation can be found in Article V of the Settlement Agreement, which is available at www.settlementwebsite.com.

6. How Can I Receive My Distribution?

According to our records, you are a Former Participant Class Member. If you are a Former Participant Class Member, you will receive your distribution via check.

7. When Will I Receive My Distribution?

The timing of the distribution of the Net Settlement Amount is conditioned on several matters, including the Court's final approval of the Settlement and any approval becoming final and no longer subject to any appeals in any court. An appeal of the final approval order may take several years. If the Settlement is approved by the Court and there are no appeals, the Settlement distribution likely will occur within approximately four months of the Court's Final Approval Order, unless there are unforeseen circumstances. There will be no payments under the Settlement if the Settlement Agreement is terminated.

8. Can I Get Out of The Settlement?

No. The Settlement Class has been certified under Federal Rule of Civil Procedure 23(b)(1). Therefore, as a Settlement Class Member, you are bound by the Settlement (if it receives final Court approval) and any judgments or orders that are entered in the Action. If you wish to object

EXECUTION COPY

to any part of the Settlement, you may write to Class Counsel and Russell's counsel about why you object to the Settlement, as discussed below.

9. Do I Have A Lawyer in The Case?

The Court has appointed the law firms of Nichols Kaster, PLLP in Minneapolis, Minnesota and Wenzel, Fenton, Cabassa, P.A. in Tampa, Florida as Class Counsel in the Class Action. If you want to be represented by your own lawyer, you may hire one at your own expense.

10. How Will the Lawyers Be Paid?

Class Counsel will file a motion for an award of Attorneys' Fees and Costs, Administrative Expenses, and Class Representative Service Award at least 14 days prior to the objection deadline. This motion will be considered at the Fairness Hearing. Class Counsel will limit their application for Attorneys' Fees to not more than one-third of the Qualified Settlement Fund. Class Counsel also will seek to recover all actual and anticipated litigation costs and administrative expenses associated with the Settlement. In addition, Class Counsel will seek a Service Award for the Class Representative of no more than \$5,000. The Court will determine the amount of fees, costs, administrative expenses, and Service Award that will be awarded, if any. All papers filed in this Action, including Class Counsel's motion for Attorneys' Fees and Costs and Administrative Expenses, will be available for review via the Public Access to Court Electronic Records System (PACER), available online at <http://www.pacer.gov>.

11. How Do I Tell the Court If I Don't Like the Settlement?

If you are a Settlement Class Member, you can object to the Settlement by mailing to Class Counsel and to Russell's counsel at the addresses below a written objection explaining why you object and any supporting documents, and your objection will, in turn, be provided to the Court. Your written objection must: (1) clearly identify the case name and number: *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS; (2) include your full name, current address, and telephone number or email address; (3) describe the position you wish to assert, including the factual and legal grounds for the position; (4) provide copies of all documents that you wish to submit in support of your position; (5) provide the name(s), address(es) and phone number(s) of any attorney(s) representing you; and (6) include your signature. Your written objection and supporting documents must be mailed to Class Counsel and Russell's counsel no later than **[21 days prior to Fairness Hearing]** to be considered. Class Counsel and Russell will have an opportunity to respond to your objection. Please note that the Court's Order Granting Preliminary Approval of this Settlement provides that any party to the litigation may, but is not required to, serve discovery requests, including requests for documents and notice of deposition not to exceed two hours in length, on any objector. Any responses to discovery, or any depositions, must be completed within ten days of the request being served to the objector.

**[PROPOSED] ORDER PRELIMINARILY APPROVING AMENDED CLASS ACTION
SETTLEMENT, APPROVING PROCEDURE AND
FORM OF NOTICE, AND SCHEDULING FINAL APPROVAL HEARING**

This matter came before the Court on Plaintiff's Motion for Preliminary Approval ("Motion For Preliminary Approval") of a proposed class action settlement of the above-captioned action ("Action") between Named Plaintiff Ann Johnson, on behalf of a class of participants in the Royal Caribbean Cruises Ltd. Retirement Savings Plan ("Plan"), and Russell Investments Trust Company ("Russell"), as set forth in the Parties' Class Action Settlement Agreement ("Settlement Agreement"). Having duly considered the terms of the Settlement Agreement and the motion papers and arguments of counsel, the Court hereby finds and orders as follows:

1. Based on the Court's review, the Court finds, on a preliminary basis, that: (i) the Settlement Agreement is fair, reasonable, and adequate, and within the range of possible approval, (ii) the Settlement Agreement has been negotiated in good faith at arms-length between

experienced attorneys familiar with the legal and factual issues of this case following substantial discovery, (iii) the form and method of notice of the Settlement Agreement and of the Fairness Hearing is appropriate; and (iv) the Settlement Agreement meets all applicable requirements of law, including Federal Rule of Civil Procedure 23 and applicable Eleventh Circuit precedents. Accordingly, the Court preliminarily approves the Settlement Agreement in its entirety.

2. For settlement purposes, the Court preliminarily certifies the following Settlement Class pursuant to Fed. R. Civ. P. 23(b)(1), which is consistent with the Class previously certified by the Court (*see* Doc. 161):

All participants and beneficiaries of the Royal Caribbean Cruises Ltd. Retirement Savings Plan at any time on or after October 1, 2015 through May 23, 2019, who had any portion of their account invested in the Russell Funds.

Consistent with the Court's prior Order Granting Class Certification (Doc. 161), Named Plaintiff Ann Johnson is appointed as the Class Representative, and Nichols Kaster, PLLP and Wenzel, Fenton, Cabassa, P.A. are appointed as Class Counsel for the Settlement Class.

3. The Court approves the proposed Notices of Settlement (Exhibits 1 and 2 to the Settlement Agreement) and the method of giving direct notice to Settlement Class Members by U.S. mail. The Court finds that the proposed Notices fairly and adequately provide information to the Settlement Class regarding, among other things: (1) the nature of the claims asserted in the Action; (2) the scope of the Settlement Class; (3) the terms of the Settlement Agreement; (4) Settlement Class Members' right to object to the Settlement and the deadline for doing so and the rights of the Settling Parties to discovery concerning such objections; (5) the Settlement Class's release; (6) the identity of Class Counsel and the amount of compensation they will seek in connection with the Settlement; (7) the date, time, and location of the Fairness Hearing; and (8) Settlement Class Members' right to appear at the Fairness Hearing. Pursuant to Rules 23(c)(2) and

EXECUTION COPY

(e) of the Federal Rules of Civil Procedure, the mailing of these Notices constitutes the best notice practicable under the circumstances and complies fully with the requirements of Federal Rule of Civil Procedure 23, the United States Constitution, due process, and applicable law. Additionally, the Notices provide due and sufficient notice of the Fairness Hearing and of the rights of all Settlement Class Members.

4. No later than forty-five (45) calendar days following the entry of this Preliminary Approval Order, the Settlement Administrator shall distribute the proposed Notices to the Settlement Class by first class mail.

5. In accordance with the Settlement Agreement, the Settlement Administrator also shall establish a Settlement Website and toll-free telephone line relating to the Settlement no later than ten (10) calendar days following the entry of this Preliminary Approval Order.

6. In accordance with the Settlement Agreement, the Parties shall file a notice with the Court confirming compliance with 28 U.S.C. § 1715 at least thirty (30) calendar days prior to the Final Approval Hearing.

7. Pursuant to the Settlement Agreement, **[insert name of Settlement Administrator]** is hereby appointed as the Settlement Administrator and shall be required to perform all the duties of the Settlement Administrator as set forth in the Settlement Agreement and this Order.

8. On **[date]** at **[time]** **[a date one hundred twenty (120) calendar days after the date of the Preliminary Approval Order or the first available hearing date thereafter]**, or at such other date and time later set by Court Order,¹ in courtroom **[]** of the United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue,

¹ Any change in the date, time, location, or format of the Fairness Hearing shall be posted on the Settlement Website.

EXECUTION COPY

Miami, FL 33128, this Court will hold a Fairness Hearing to: (1) give final consideration to the fairness, reasonableness, and adequacy of the Settlement Agreement, (2) review any comments or objections regarding the Settlement Agreement, (3) consider whether the Court should issue a Final Approval Order approving this Settlement Agreement, (4) consider any proposed Attorneys' Fees and Costs, Administrative Expenses, and Service Award, and (5) consider any other matters that the Court may deem appropriate in connection with the Settlement.

9. Any Settlement Class Member may comment in support of or in opposition to the Settlement Agreement; provided, however, that all comments and objections shall only be considered by the Court at the Fairness Hearing if they have been timely sent to Class Counsel and Defendants' Counsel. To be timely, the comment and/or objection and any supporting documents must be mailed or otherwise delivered to Class Counsel and Russell's Counsel no later than twenty-one (21) calendar days prior to the date of the Fairness Hearing. Any Settlement Class Member wishing to speak at the Fairness Hearing shall serve a notice of intent to appear on

EXECUTION COPY

Class Counsel and Russell's Counsel at least twenty-one (21) calendar days prior to the Fairness Hearing. Any Party may file a response to an objection before the Fairness Hearing.

10. Any Settlement Class Member or other person who does not timely serve a written objection complying with the terms of this Order shall be deemed to have waived, and shall be foreclosed from raising, any objection to the Settlement, and any untimely objection shall be barred.

11. Any Settling Party wishing to obtain discovery from any objector may, but is not required to, serve discovery requests, including requests for documents and notice of deposition not to exceed two (2) hours in length, on any objector within ten (10) calendar days of receipt of the objection and that any responses to discovery or depositions must be completed within ten (10) calendar days of the request being served on the objector.

12. Any application for Attorneys' Fees and Costs, Administrative Expenses, or Service Award shall be filed no later than fourteen (14) calendar days prior to the deadline for objections.

13. No later than fourteen (14) calendar days prior to the Fairness Hearing, Class Counsel shall file papers in support of Final Approval of the Settlement Agreement. Class Counsel shall file any objections to the Settlement with the motion for Final Approval of the Amended Settlement.

14. Any Settlement Class Member who fails to object in the manner prescribed herein shall be deemed to have waived such Settlement Class Member's objections and shall forever be barred from making any such objections in this Action or in any other action or proceeding.

15. The terms of the Bar Order set forth in the Settlement Agreement are preliminarily approved, subject to final approval of the Settlement Agreement.

EXECUTION COPY

16. Each Settlement Class Member, and his or her respective heirs, executors, estates, beneficiaries, administrators, successors, agents, attorneys, and assigns, is preliminarily enjoined from suing Russell or other Released Parties in any action or proceeding alleging any of Plaintiff's Released Claims, even if any Settlement Class Member may thereafter discover facts in addition to or different from those which the Settlement Class Members or Class Counsel now know or believe to be true with respect to the Action and Plaintiff's Released Claims. Further, pending final determination of whether the Settlement Agreement should be approved, no Settlement Class Member may directly, through representatives, or in any other capacity, commence any action or proceeding in any court or tribunal asserting any of the Plaintiff's Released Claims against Russell or Released Parties.

17. The Settlement Agreement, the proceedings relating to the approval of the Settlement Agreement, and this Preliminary Approval Order are not and shall not be construed as evidence or an admission of any liability, responsibility, fault, or wrongdoing on the part of the Parties or any Released Party. In the event that the Settlement Agreement is terminated pursuant to its terms or is not finally approved in all material respects by the Court, or such approval is reversed, vacated, or modified in any material respect by this or any other court, then the Parties and Settlement Class Members will be restored to their respective positions immediately before the execution of the Settlement Agreement, this Action shall proceed in all respects as if the Settlement Agreement and any related orders had not been entered, and any order entered by the Court pursuant to the terms of the Settlement Agreement shall be treated as vacated *nunc pro tunc*.

NOTICE OF CLASS ACTION SETTLEMENT AND FAIRNESS HEARING

PLEASE READ THIS SETTLEMENT NOTICE CAREFULLY.

This is a notice of a proposed partial class action settlement in the above-referenced lawsuit. Your legal rights may be affected if you are a member of the following Settlement Class:

All participants and beneficiaries of the Royal Caribbean Cruises, Ltd. Retirement Savings Plan at any time on or after October 1, 2015 through May 23, 2019 (referred to as the “Class Period”), who had any portion of their account invested in the Russell Funds:

- A partial Settlement has been reached that encompasses all claims against Russell Investments Trust Company (“Russell”) in a class action lawsuit against Royal Caribbean Cruises Ltd. and the Royal Caribbean Cruises Ltd. Investment Committee (collectively, the “Non-Settling Defendants”), and Russell (collectively, “Defendants”). The class action lawsuit involves whether or not the Non-Settling Defendants and Russell complied with their fiduciary duties under the Employee Retirement Income Security Act of 1974 (“ERISA”) with respect to the Royal Caribbean Cruises Ltd. Retirement Savings Plan (the “Plan”). Russell denies all claims, and nothing in the Settlement is an admission or concession on Russell’s part of any fault or liability whatsoever.
- The Settlement will provide, among other things, for a \$500,000 Settlement Fund that will be allocated to eligible Settlement Class Members after any Court-approved deductions for Attorneys’ Fees and Costs and Administrative Expenses. Settlement Class Members with a positive balance in their Plan account as of the date of Final Approval of the Settlement

EXECUTION COPY

(referred to herein as “Participant Class Members”) will automatically receive allocations directly to their Plan accounts so long as they maintain a positive balance through the time Settlement monies are distributed. Settlement Class Members who had a positive balance in their Plan account during the Class Period but who no longer have a Plan account or do not have a positive balance in their account as of the date of Final Approval of the Settlement (referred to herein as “Former Participant Class Members”) will receive their settlement payment in the form of a check.

- The terms and conditions of the Settlement are set forth in the Settlement Agreement dated July [insert], 2025. Capitalized terms used in this Notice but not defined in this Notice have the meanings assigned to them in the Settlement Agreement. The Settlement Agreement is available at [www.settlementwebsite.com]. Certain other documents also will be posted on that website. You should visit that website if you would like more information about the Settlement or the lawsuit. All papers filed in this lawsuit are also available for review via the Public Access to Court Electronic Records System (PACER), at <http://www.pacer.gov>.
- Your rights and the choices available to you—and the applicable deadlines to act—are explained below. Please note that neither Russell nor any employees, attorneys, or representatives of Russell may advise you as to what the best choice is for you or how you should proceed.
- The Court still has to decide whether to give its final approval to the Settlement. Payments under the Settlement will be made only if the Court finally approves the Settlement, and that final approval is upheld in the event of any appeal.
- A Fairness Hearing will take place on [DATE], at [TIME], before the Honorable Robert N. Scola, Jr., United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. United States Courthouse, 400 North Miami Avenue, Room 12-3, Miami, Florida 33128, to determine whether to grant final approval of the Settlement and approve the requested Attorneys’ Fees and Costs, Administrative Expenses, and Service Award. If the Fairness Hearing is rescheduled, or if it is held by video conference or telephone, a notice will be posted on the Settlement Website at [www.settlementwebsite.com].
- Any objections to the Settlement, or to the requested Attorneys’ Fees and Costs and Administrative Expenses, must be served in writing on Class Counsel and Russell’s counsel, as identified on page 7 of this Settlement Notice.

The Class Action

The case is called *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS (S.D. Fla.) (the "Action" or "lawsuit"). It was filed on June 7, 2021. The individual who brought this lawsuit is called the Class Representative, and the persons that were sued are called the Defendants. A judgment in favor of the Defendants dismissing the lawsuit was entered by the Court supervising the Action, the United States District Court for the Southern District of Florida, on February 3, 2025. The Class Representative has appealed this decision.

The Class Representative is Ann Johnson, who is a former participant in the Plan. The Settling Defendant is Russell. The Settlement Agreement specifically excludes Plaintiff's claims against the Non-Settling Defendants, and the Action will continue against them on appeal. The claims in the lawsuit are described below on page 4, and additional information about them, including a copy of the operative Amended Complaint, is available at www.settlementwebsite.com.

The Settlement

Following negotiations between Class Counsel and Russell's counsel, a Settlement has been reached. As part of the Settlement, a Qualified Settlement Fund of \$500,000 will be established to resolve the claims against Russell in the Action. The "Net Settlement Amount" is \$500,000 minus any Administrative Expenses (including taxes, tax expenses and certain other expenses) and any Court-approved Attorneys' Fees and Costs and Service Award. The Net Settlement Amount will

be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court and further described below.

Statement of Attorneys' Fees and Costs, Administrative Expenses, and Service Award Sought in the Class Action

Class Counsel has devoted many hours to investigating the facts, prosecuting the lawsuit, reviewing documents obtained from Defendants, and negotiating the Settlement. During that time, they also have advanced costs necessary to pursue the case. Class Counsel took the risk of litigation and have not been paid for any of their time or for any of these costs throughout the time this case has been pending.

Class Counsel does not intend to seek Attorneys' Fees in connection with the Settlement. Instead, Class Counsel will seek to recover their litigation costs and administrative expenses associated with the Settlement. Class Counsel estimates that these costs will total around \$350,000. Any Costs and Administrative Expenses awarded by the Court will be paid from the Qualified Settlement Fund.

The Class Representative has devoted many hours on behalf of the Settlement Class to providing information, communicating with counsel, answering discovery requests, sitting for a deposition, and attending a mediation. Class Counsel will apply for a Service Award of \$5,000 to be awarded to the Class Representative for her service to the Settlement Class.

A full and formal application for Attorneys' Fees and Costs and Administrative Expenses will be filed with the Court on or before [DATE]. This application will be made available at [www.settlementwebsite.com]. You may also obtain a copy of this application through the Public Access to Court Electronic Records System (PACER) at <http://www.pacer.gov>, or by appearing in person during regular business hours at the Office of the Clerk of the United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue, Miami, FL 33128.

1. Why Did I Receive This Settlement Notice?

The Court caused this Notice to be sent to you because our records indicate that you may be a Participant Class Member. If you fall within the definition of the Settlement Class, you have a right to know about the Settlement and about all of the options available to you before the Court decides whether to give its final approval to the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be allocated among Settlement Class Members according to a Court-approved Plan of Allocation.

2. What Is the Class Action About?

In the Class Action, the Class Representative claims that the Defendants improperly selected and retained the Russell Funds for the Plan, and that it was not prudent or in the best interest of participants for them to do so. The Class Representative also alleges that Russell had a conflict of interest in selecting and retaining these funds or recommending their selection and retention. The

EXECUTION COPY

Defendants deny all claims and assert that they have always acted prudently and in the best interests of participants and beneficiaries.

3. Why Is There A Settlement?

The Court dismissed the Class Representative's claims against Defendants, but the Court's decision is on appeal. The Class Representative and Russell agreed to the Settlement during the pendency of the appeal. The Settlement is the product of extensive negotiations between the Class Representative, Russell, and their counsel. The parties to the Settlement have taken into account the uncertainty, risks, and costs of further litigation and have concluded that it is desirable to settle on the terms and conditions set forth in the Settlement Agreement. The Class Representative and Class Counsel believe that the Settlement is best for the Settlement Class. Nothing in the Settlement Agreement is an admission or concession on Russell's part of any fault or liability whatsoever. The parties to the Settlement have entered into the Settlement Agreement to avoid the uncertainty, expense, and burden of additional litigation.

4. What Does the Settlement Provide?

Under the Settlement, Russell or its insurers will pay \$500,000 into a Qualified Settlement Fund to resolve the claims of the Settlement Class against Russell. The Net Settlement Amount (after deduction of any Court-approved Attorneys' Fees and Costs and Administrative Expenses) will be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court (as explained further on [page 6](#) below). Allocations to Participant Class Members who are entitled to a distribution under the Plan of Allocation will be made into their existing accounts in the Plan. Former Participant Settlement Class Members who are entitled to a distribution will receive their distribution via check.

All Settlement Class Members and anyone claiming through them will fully release Russell and the Released Parties from certain Plaintiff's Released Claims, as defined in the Settlement Agreement. The Released Parties include Russell and certain related parties as outlined in the Settlement Agreement. The Plaintiff's Released Claims include any claims against any of the Released Parties with respect to the Plan that were asserted in the Action against Russell or could have been asserted against Russell, including but not limited to those based on: (1) the selection, retention, or monitoring of the Russell Funds in the Plan's investment lineup; (2) the selection, retention, or monitoring of Russell; (3) the performance, fees, and other characteristics of the Russell Funds in the Plan's investment lineup; (4) Russell's performance or fees, or the services provided by Russell to the Plan; or (5) the restructuring or modification of the Plan's investment lineup. In addition, Plaintiff's Released Claims also include certain other claims as set forth in the Settlement Agreement.

The Non-Settling Defendants are not Released Parties under the Settlement. However, it is a condition of the Settlement that the Court enter an order barring the Non-Settling Defendants from asserting certain claims against Russell and that any judgment that is later entered against the Non-Settling Defendants in the Action will be subject to a judgment reduction equal to the amount that represents the greater of the Gross Settlement Amount or the proportionate share of fault that the Court attributes to Russell at trial, if any, with respect to the judgment.

EXECUTION COPY

This is only a summary of the Released Parties and Plaintiff's Released Claims, and is not a binding description of either. The governing releases are found within the Settlement Agreement, which is available at www.settlementwebsite.com.

5. How Much Will My Distribution Be?

The amount, if any, that will be allocated to you will be based upon records maintained by the Plan's recordkeeper. Calculations regarding individual distributions will be performed by the Settlement Administrator, whose determinations will be final and binding, pursuant to the Court-approved Plan of Allocation.

To receive a distribution from the Net Settlement Amount, you must either be a (1) "Participant Class Member" as described on page 1; (2) a "Former Participant Class Member" as described on pages 1–2; or (3) a Beneficiary or Alternate Payee of a person identified in (1) or (2).

There are approximately **XX,XXX** Settlement Class Members. The Net Settlement Amount will be divided *pro rata* among Settlement Class Members (and their Beneficiaries and Alternate Payees) based on Settlement Class Members' average quarterly balances in the Russell Funds during the Class Period. If the dollar amount of the settlement payment to a Former Participant Class Member is calculated by the Settlement Administrator to be less than \$5.00, then that Former Participant Class Member's pro-rata share shall be zero for all purposes, and his or her share shall be reallocated among the other Class Members. Class Members whose pro-rata shares are zero will still be bound by their release of claims. A more complete description regarding the details of the Plan of Allocation can be found in Article V of the Settlement Agreement, which is available at www.settlementwebsite.com.

6. How Can I Receive My Distribution?

According to our records, you are a Participant Class Member. Therefore, you do not need to do anything to receive your share of the Settlement.

If you are considered a Participant Class Member because you had a Plan account with a balance greater than \$0.00 as of **DATE**, but it is determined that you no longer have a Plan account balance greater than \$0.00 when the Settlement proceeds are distributed to Settlement Class Members, the Settlement Administrator will mail you a check for your share of the Net Settlement Amount to your last known address. You may contact the Settlement Administrator to confirm or update your mailing address. The Settlement Administrator may be contacted by phone at **telephone number** or by mail at **mailing address**.

7. When Will I Receive My Distribution?

The timing of the distribution of the Net Settlement Amount is conditioned on several matters, including the Court's final approval of the Settlement and any approval becoming final and no longer subject to any appeals in any court. An appeal of the final approval order may take several years. If the Settlement is approved by the Court and there are no appeals, the Settlement distribution likely will occur within approximately four months of the Court's Final Approval

EXECUTION COPY

Order, unless there are unforeseen circumstances. There will be no payments under the Settlement if the Settlement Agreement is terminated.

8. Can I Get Out of The Settlement?

No. The Settlement Class has been certified under Federal Rule of Civil Procedure 23(b)(1). Therefore, as a Settlement Class Member, you are bound by the Settlement (if it receives final Court approval) and any judgments or orders that are entered in the Action. If you wish to object to any part of the Settlement, you may write to Class Counsel and the Russell's counsel about why you object to the Settlement, as discussed below.

9. Do I Have A Lawyer in The Case?

The Court has appointed the law firms of Nichols Kaster, PLLP in Minneapolis, Minnesota and Wenzel, Fenton, Cabassa, P.A. in Tampa, Florida as Class Counsel in the Class Action. If you want to be represented by your own lawyer, you may hire one at your own expense.

10. How Will the Lawyers Be Paid?

Class Counsel does not intend to seek Attorneys' Fees in connection with this Settlement. Instead, Class Counsel will seek to recover all actual and anticipated litigation costs and administrative expenses associated with the Settlement. Class Counsel will file a motion for Costs and Administrative Expenses at least 14 days prior to the objection deadline. Class Counsel estimates that costs and expenses will total approximately \$350,000. This motion will be considered at the Fairness Hearing. In addition, Class Counsel will seek a Service Award for the Class Representative of no more than \$5,000. The Court will determine the amount of costs, administrative expenses, and Service Award that will be awarded, if any. All papers filed in this Action, including Class Counsel's motion for Attorneys' Fees and Costs and Administrative Expenses, will be available for review via the Public Access to Court Electronic Records System (PACER), available online at <http://www.pacer.gov>.

11. How Do I Tell the Court If I Don't Like the Settlement?

If you are a Settlement Class Member, you can object to the Settlement by mailing to Class Counsel and to Russell's counsel at the addresses below a written objection explaining why you object and any supporting documents, and your objection will, in turn, be provided to the Court. Your written objection must: (1) clearly identify the case name and number: *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS; (2) include your full name, current address, and telephone number or email address; (3) describe the position you wish to assert, including the factual and legal grounds for the position; (4) provide copies of all documents that you wish to submit in support of your position; (5) provide the name(s), address(es) and phone number(s) of any attorney(s) representing you; and (6) include your signature. Your written objection and supporting documents must be mailed to Class Counsel and Russell's counsel no later than **[21 days prior to Fairness Hearing]** to be considered. Class Counsel and Russell will have an opportunity to respond to your objection. Please note that the Court's Order Granting Preliminary Approval of this Settlement provides that any party to the litigation may, but is not required to,

EXECUTION COPY

serve discovery requests, including requests for documents and notice of deposition not to exceed two hours in length, on any objector. Any responses to discovery, or any depositions, must be completed within ten days of the request being served to the objector.

Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue, Miami, FL 33128, in Room 12-3. At the Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. 13. Do I Have to Attend the Fairness Hearing?

No, but you are welcome to come at your own expense. You may also make an appearance through an attorney. If you send an objection, you do not have to come to the Court to talk about it. As long as you mailed your written objection on time, the Court will consider it.

You must also comply with the requirements for making an objection (described above) if you wish to object to the Settlement.

15. What Happens If I Do Nothing at All?

If you are a "Participant Class Member" as described on page 1, and you do nothing, you will receive your *pro rata* share of the Net Settlement Amount if the Settlement is finally approved. If you are a "Former Participant Class Member" as described on pages 1–2, and you do nothing, you will receive your *pro rata* share of the Net Settlement Amount via check.

NOTICE OF CLASS ACTION SETTLEMENT AND FAIRNESS HEARING

PLEASE READ THIS SETTLEMENT NOTICE CAREFULLY.

This is a notice of a proposed partial class action settlement in the above-referenced lawsuit. Your legal rights may be affected if you are a member of the following Settlement Class:

All participants and beneficiaries of the Royal Caribbean Cruises, Ltd. Retirement Savings Plan at any time on or after October 1, 2015 through May 23, 2019 (referred to as the “Class Period”), who had any portion of their account invested in the Russell Funds:

- A partial Settlement has been reached that encompasses all claims against Russell Investments Trust Company (“Russell”) in a class action lawsuit against Royal Caribbean Cruises Ltd. and the Royal Caribbean Cruises Ltd. Investment Committee (collectively, the “Non-Settling Defendants”), and Russell (collectively, “Defendants”). The class action lawsuit involves whether or not the Non-Settling Defendants and Russell complied with their fiduciary duties under the Employee Retirement Income Security Act of 1974 (“ERISA”) with respect to the Royal Caribbean Cruises Ltd. Retirement Savings Plan (the “Plan”). Russell denies all claims, and nothing in the Settlement is an admission or concession on Russell’s part of any fault or liability whatsoever.
- The Settlement will provide, among other things, for a \$500,000 Settlement Fund that will be allocated to eligible Settlement Class Members after any Court-approved deductions for Attorneys’ Fees and Costs, Administrative Expenses and Service Award. Settlement Class Members with a positive balance in their Plan account as of the date of Final Approval of the

EXECUTION COPY

Settlement (referred to herein as “Participant Class Members”) will automatically receive allocations directly to their Plan accounts so long as they maintain a positive balance through the time Settlement monies are distributed. Settlement Class Members who had a positive balance in their Plan account during the Class Period but who no longer have a Plan account or do not have a positive balance in their account as of the date of Final Approval of the Settlement (referred to herein as “Former Participant Class Members”) will receive their settlement payment in via check.

- The terms and conditions of the Settlement are set forth in the Settlement Agreement dated July [insert], 2025. Capitalized terms used in this Notice but not defined in this Notice have the meanings assigned to them in the Settlement Agreement. The Settlement Agreement is available at [www.settlementwebsite.com]. Certain other documents also will be posted on that website. You should visit that website if you would like more information about the Settlement or the lawsuit. All papers filed in this lawsuit are also available for review via the Public Access to Court Electronic Records System (PACER), at <http://www.pacer.gov>.
- Your rights and the choices available to you—and the applicable deadlines to act—are explained in this Notice. Please note that neither Russell nor any employees, attorneys, or representatives of Russell may advise you as to what the best choice is for you or how you should proceed.
- The Court still has to decide whether to give its final approval to the Settlement. Payments under the Settlement will be made only if the Court finally approves the Settlement, and that final approval is upheld in the event of any appeal.
- A Fairness Hearing will take place on [DATE], at [TIME], before the Honorable Robert N. Scola, Jr., United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. United States Courthouse, 400 North Miami Avenue, Room 12-3, Miami, Florida 33128, to determine whether to grant final approval of the Settlement and approve the requested Attorneys’ Fees and Costs and Administrative Expenses. If the Fairness Hearing is rescheduled, or if it is held by video conference or telephone, a notice will be posted on the Settlement Website at [www.settlementwebsite.com].
- Any objections to the Settlement, or to the requested Attorneys’ Fees and Costs or Administrative Expenses, must be served in writing on Class Counsel and Russell’s counsel, as identified on page 7 of this Settlement Notice.

The Class Action

The case is called *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS (S.D. Fla.) (the "Action" or "lawsuit"). It was filed on June 7, 2021. The individual who brought this lawsuit is called the Class Representative, and the persons that were sued are called the Defendants. A judgment in favor of the Defendants dismissing the lawsuit was entered by the Court supervising the Action, the United States District Court for the Southern District of Florida, on February 3, 2025. The Class Representative has appealed this decision.

The Class Representative is Ann Johnson, who is a former participant in the Plan. The Settling Defendant is Russell. The Settlement Agreement specifically excludes Plaintiff's claims against the Non-Settling Defendants, and the Action will continue against them on appeal. The claims in the lawsuit are described below on page 4, and additional information about them, including a copy of the operative Amended Complaint, is available at www.settlementwebsite.com.

The Settlement

Following negotiations between Class Counsel and Russell's counsel, a Settlement has been reached. As part of the Settlement, a Qualified Settlement Fund of \$500,000 will be established to resolve the claims against Russell in the Action. The "Net Settlement Amount" is \$500,000 minus any Administrative Expenses (including taxes, tax expenses and certain other expenses) and any Court-approved Attorneys' Fees and Costs and Service Award. The Net Settlement Amount will be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court and further described below.

Statement of Attorneys' Fees and Costs, Administrative Expenses, and Service Award Sought in the Class Action

Class Counsel has devoted many hours to investigating the facts, prosecuting the lawsuit, reviewing documents obtained from Defendants, and negotiating the Settlement. During that time, they also have advanced costs necessary to pursue the case. Class Counsel took the risk of litigation and have not been paid for any of their time or for any of these costs throughout the time this case has been pending.

Class Counsel does not intend to seek Attorneys' Fees in connection with the Settlement. Instead, Class Counsel will seek to recover their litigation costs and administrative expenses associated with the Settlement. Class Counsel estimates that these costs will total around \$350,000. Any Costs and Administrative Expenses awarded by the Court will be paid from the Qualified Settlement Fund.

The Class Representative has devoted many hours on behalf of the Settlement Class to providing information, communicating with counsel, answering discovery requests, sitting for a deposition, and attending a mediation. Class Counsel will apply for a Service Award of \$5,000 to be awarded to the Class Representative for her service to the Settlement Class.

A full and formal application for Attorneys' Fees and Costs and Administrative Expenses will be filed with the Court on or before [DATE]. This application will be made available at [www.settlementwebsite.com]. You may also obtain a copy of this application through the Public Access to Court Electronic Records System (PACER) at <http://www.pacer.gov>, or by appearing in person during regular business hours at the Office of the Clerk of the United States District Court for the Southern District of Florida, Wilkie D. Ferguson, Jr. U.S. Courthouse, 400 North Miami Avenue, Miami, FL 33128.

1. Why Did I Receive This Settlement Notice?

The Court caused this Notice to be sent to you because our records indicate that you may be a Former Participant Class Member. If you fall within the definition of the Settlement Class, you have a right to know about the Settlement and about all of the options available to you before the Court decides whether to give its final approval to the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be allocated among Settlement Class Members according to a Court-approved Plan of Allocation.

2. What Is the Class Action About?

In the Class Action, the Class Representative claims that the Defendants improperly selected and retained the Russell Funds for the Plan, and that it was not prudent or in the best interest of participants for them to do so. The Class Representative also alleges that Russell had a conflict of interest in selecting and retaining these funds or recommending their selection and retention. The Defendants deny all claims and assert that they have always acted prudently and in the best interests of participants and beneficiaries.

3. Why Is There A Settlement?

The Court dismissed the Class Representative's claims against Defendants, but the Court's decision is on appeal. The Class Representative and Russell agreed to the Settlement during the pendency of the appeal. The Settlement is the product of extensive negotiations between the Class Representative, Russell, and their counsel. The parties to the Settlement have taken into account the uncertainty, risks, and costs of further litigation and have concluded that it is desirable to settle on the terms and conditions set forth in the Settlement Agreement. The Class Representative and Class Counsel believe that the Settlement is best for the Settlement Class. Nothing in the Settlement Agreement is an admission or concession on Russell's part of any fault or liability whatsoever. The parties to the Settlement have entered into the Settlement Agreement to avoid the uncertainty, expense, and burden of additional litigation.

4. What Does the Settlement Provide?

Under the Settlement, Russell or its insurers will pay \$500,000 into a Qualified Settlement Fund to resolve the claims of the Settlement Class against Russell. The Net Settlement Amount (after deduction of any Court-approved Attorneys' Fees and Costs, Administrative Expenses, and Service Award) will be allocated to Settlement Class Members according to a Plan of Allocation to be approved by the Court (as explained further on [page 6](#) below). Allocations to Participant Class Members who are entitled to a distribution under the Plan of Allocation will be made into their existing accounts in the Plan. Former Participant Settlement Class Members who are entitled to a distribution will receive their distribution via check.

All Settlement Class Members and anyone claiming through them will fully release Russell and the Released Parties from certain Plaintiff's Released Claims, as defined in the Settlement Agreement. The Released Parties include Russell and certain related parties as outlined in the Settlement Agreement. The Plaintiff's Released Claims include any claims against any of the Released Parties with respect to the Plan that were asserted in the Action against Russell or could have been asserted against Russell, including but not limited to those based on: (1) the selection, retention, or monitoring of the Russell Funds in the Plan's investment lineup; (2) the selection, retention, or monitoring of Russell; (3) the performance, fees, and other characteristics of the Russell Funds in the Plan's investment lineup; (4) Russell's performance as a fiduciary to the Plan or its fees charged to the Plan; or (5) the restructuring or modification of the Plan's investment lineup. In addition, Plaintiff's Released Claims also include certain other claims as set forth in the Settlement Agreement.

The Non-Settling Defendants are not Released Parties under the Settlement. However, it is a condition of the Settlement that the Court enter an order barring the Non-Settling Defendants from asserting certain claims against Russell and that any judgment that is later entered against the Non-Settling Defendants in the Action will be subject to a judgment reduction equal to the amount that represents the greater of the Gross Settlement Amount or the proportionate share of fault that the Court attributes to Russell at trial, if any, with respect to any later judgment.

This is only a summary of the Released Parties and Plaintiff's Released Claims, and is not a binding description of either. The governing releases are found within the Settlement Agreement, which is available at [\[www.settlementwebsite.com\]](http://www.settlementwebsite.com).

5. How Much Will My Distribution Be?

The amount, if any, that will be allocated to you will be based upon records maintained by the Plan's recordkeeper. Calculations regarding individual distributions will be performed by the Settlement Administrator, whose determinations will be final and binding, pursuant to the Court-approved Plan of Allocation.

To receive a distribution from the Net Settlement Amount, you must either be a (1) "Participant Class Member" as described on page 1; (2) a "Former Participant Class Member" as described on pages 1–2; or (3) a Beneficiary or Alternate Payee of a person identified in (1) or (2).

There are approximately **XX,XXX** Settlement Class Members. The Net Settlement Amount will be divided *pro rata* among Settlement Class Members (and their Beneficiaries and Alternate Payees) based on Settlement Class Members' average quarterly balances in the Russell Funds during the Class Period. If the dollar amount of the settlement payment to a Former Participant Class Member is calculated by the Settlement Administrator to be less than \$5.00, then that Former Participant Class Member's pro-rata share shall be zero for all purposes, and his or her share shall be reallocated amongst the other Class Members. Class Members whose pro-rata shares are zero will still be bound by their release of claims. A more complete description regarding the details of the Plan of Allocation can be found in Article V of the Settlement Agreement, which is available at [\[www.settlementwebsite.com\]](http://www.settlementwebsite.com).

6. How Can I Receive My Distribution?

According to our records, you are a Former Participant Class Member. If you are a Former Participant Class Member, you will receive your distribution via check.

7. When Will I Receive My Distribution?

The timing of the distribution of the Net Settlement Amount is conditioned on several matters, including the Court's final approval of the Settlement and any approval becoming final and no longer subject to any appeals in any court. An appeal of the final approval order may take several years. If the Settlement is approved by the Court and there are no appeals, the Settlement distribution likely will occur within approximately four months of the Court's Final Approval Order, unless there are unforeseen circumstances. There will be no payments under the Settlement if the Settlement Agreement is terminated.

8. Can I Get Out of The Settlement?

No. The Settlement Class has been certified under Federal Rule of Civil Procedure 23(b)(1). Therefore, as a Settlement Class Member, you are bound by the Settlement (if it receives final Court approval) and any judgments or orders that are entered in the Action. If you wish to object to any part of the Settlement, you may write to Class Counsel and Russell's counsel about why you object to the Settlement, as discussed below.

9. Do I Have A Lawyer in The Case?

EXECUTION COPY

The Court has appointed the law firms of Nichols Kaster, PLLP in Minneapolis, Minnesota and Wenzel, Fenton, Cabassa, P.A. in Tampa, Florida as Class Counsel in the Class Action. If you want to be represented by your own lawyer, you may hire one at your own expense.

10. How Will the Lawyers Be Paid?

Class Counsel does not intend to seek Attorneys' Fees in connection with this Settlement. Instead, Class Counsel will seek to recover all actual and anticipated litigation costs and administrative expenses associated with the Settlement. Class Counsel will file a motion for Costs and Administrative Expenses at least 14 days prior to the objection deadline. Class Counsel estimates that costs and expenses will total approximately \$350,000. This motion will be considered at the Fairness Hearing. In addition, Class Counsel will seek a Service Award for the Class Representative of no more than \$5,000. The Court will determine the amount of costs, administrative expenses, and Service Award that will be awarded, if any. All papers filed in this Action, including Class Counsel's motion for Attorneys' Fees and Costs and Administrative Expenses, will be available for review via the Public Access to Court Electronic Records System (PACER), available online at <http://www.pacer.gov>.

11. How Do I Tell the Court If I Don't Like the Settlement?

If you are a Settlement Class Member, you can object to the Settlement by mailing to Class Counsel and to Russell's counsel at the addresses below a written objection explaining why you object and any supporting documents, and your objection will, in turn, be provided to the Court. Your written objection must: (1) clearly identify the case name and number: *Johnson v. Russell Investments Trust Company, et al.*, Civil No. 1:22-cv-21735-RNS; (2) include your full name, current address, and telephone number or email address; (3) describe the position you wish to assert, including the factual and legal grounds for the position; (4) provide copies of all documents that you wish to submit in support of your position; (5) provide the name(s), address(es) and phone number(s) of any attorney(s) representing you; and (6) include your signature. Your written objection and supporting documents must be mailed to Class Counsel and Russell's counsel no later than **[21 days prior to Fairness Hearing]** to be considered. Class Counsel and Russell will have an opportunity to respond to your objection. Please note that the Court's Order Granting Preliminary Approval of this Settlement provides that any party to the litigation may, but is not required to, serve discovery requests, including requests for documents and notice of deposition not to exceed two hours in length, on any objector. Any responses to discovery, or any depositions, must be completed within ten days of the request being served to the objector.
